Congratulations! Your good work at school has been rewarded. You have earned Early Award Scholarships to help pay for career training or college after high school. This Early Award Scholarship Progress Report summarizes your scholarship awards. These awards have been deposited into your Community Foundation Early Award Scholarship Fund. Watch the mail for your Early Award Scholarship Fund Statement coming soon.

During the 2nd quarter, you had the opportunity to earn scholarships for completing your reading, math and language arts assignments with a score of 70% or better. Looking ahead, you can earn a $20 scholarship for completing an essay or presentation related to careers or training beyond high school, and a $35 scholarship for completing your assignments with a score of 70% or better.

Don't forget to deposit at least $20 in your College Choice 529 account this semester. Your deposit must be posted to your 529 account by 5/29/2023 to receive a $20 maximum savings match for Semester 2.

The Community Foundation of Wabash County is proud to support your goal of preparing for education beyond high school. Work hard in school and picture yourself in a rewarding career! Your future is bright! If your family has any questions about Early Award Scholarships, please contact the Community Foundation of Wabash County at 260-982-4824 or EarlyAward@cfwabash.org.
